

Inclusion and Diversity Policy

OBJECTIVES

Woodside recognises that a talented and diverse workforce is a key competitive advantage. We strive to create a workplace culture where people feel included, respected and valued for their unique perspective and attributes.

Inclusion centres on all employees creating a climate of trust and belonging, where people feel comfortable to bring their whole self to work. It is evident where uniqueness is welcomed and appreciated. Our diversity encompasses differences in age, nationality, ethnicity, religious beliefs, sexual orientation, intersex status, gender identity or expression, relationship status, physical ability, cultural background, thinking styles, experience, family background, including carer commitments, and education.

By understanding and leveraging the diversity in our workforce we drive the collaboration and innovation needed to be a global leader in upstream oil and gas.

This commitment to inclusion and diversity is embedded in our corporate strategy and supported by our company values: integrity, respect, discipline, excellence, working together and working sustainably.
